How to Ride Transit

1

Plan your trip

See where transit can take you in the city of Seattle and beyond with **this map & guide**. Many destinations are served by a network of frequent all-day service, just show up and go!

Need more specifics? Get personalized step-by-step directions and schedules with the **Puget Sound Trip Planner** app or **Metro Trip Planner** at triplanner.kingcounty.gov.

Find out when your bus or train will arrive with real time information from **OneBusAway**. Get the app, visit pugetsound.onebusaway.org or text "onebus [your stop number]" to 41411.

Traffic, weather, and other events may change service. Check **Rider Alerts** before you leave. Metro and Sound Transit can e-mail or text alerts for your route to you. Subscribe online.

Transit is Accessible

All buses, trains, and ferries are accessible to people with disabilities and mobility impairments.

Buses can kneel to lower the doorway closer to the curb. A ramp or lift bridges the gap between the curb and bus. Each bus can accommodate two wheelchair users. Need assistance? Just ask.

Link trains have level boarding between the platform and train. Streetcars have a ramp that deploys when a blue button is pressed.

Seniors and disabled riders have priority seating, marked by signs. At stops served by more than one route, the route number and destination is announced over the external speakers.

If you are unable to use regular transit services due to a disability, Metro's Access paratransit service may be for you. Visit kingcounty.gov/Access or contact Metro for more information.

2

Pay your fare

Pay with exact **cash** (bills/ coins) or an **ORCA card** with e-purse value or an unlimited day or monthly pass loaded. Drivers do not make change.

Pay with ORCA to get 2 hours of unlimited transfers on any service, except Washington State Ferries and the Monorail. You will only be charged once, whichever fare is the highest.

If you pay with cash or a Metro ticket, you will receive a 2-hour paper transfer, valid only on other Metro buses.

Buy train and ferry tickets with a **Visa** or **MasterCard** card. Use the **Transit GO Ticket app** to buy tickets and day passes for participating services (subject to change).

ORCA Buy and add value to adult ORCA cards at any Link station, most Safeway & QFC grocery stores, Metro customer service offices, by mail, by calling 888-988-6722, or at orcard.com.

Service	Adult fare	When to Pay
Metro bus routes 1-373 and RapidRide A-F lines	\$2.75	Upon boarding. Tap ORCA before boarding at RapidRide stations.
ST Express bus 500-series routes	\$2.75 or 3.75	Upon boarding
Link light rail	\$2.25-3.25	Before boarding, tap ORCA or buy ticket. Tap ORCA again after exiting the train.
Sounder train	\$3.25-5.25	
Seattle Streetcar	\$2.25	Before boarding.
Monorail	\$2.50	Before boarding.
Water Taxi	\$5.00-5.75	Upon boarding

Reduced fares are available for youth, seniors, people with disabilities, and people with low incomes. To obtain your reduced fare ORCA card, visit a Metro customer service office, call 206-553-3000, or visit metro.kingcounty.gov/fares.

A validated ticket, unexpired transfer, or tapped ORCA is your **proof-of-payment** (POP) on Link light rail, Seattle Streetcar, and RapidRide. POP allows you to **board through any door**. You must have valid POP while riding, otherwise you may be subject to penalties if you can't present POP upon request.

3

Board and enjoy your ride

Bus

Identify your stop by finding your route on the sign. Wait in a visible location near it.

As bus approaches, check its front sign to confirm it is the correct route and direction.

Link light rail, streetcar

Purchase ticket or tap your ORCA card before boarding. Use maps and signs to identify the platform and train for the direction you are traveling.

- Please let riders exit the bus or train before boarding.
- Keep your belongings off seats to make room for others.
- If standing, move toward the rear or away from doors.
- The next stop is announced audibly and visually on signs inside the vehicle. After the bus/streetcar has left the previous stop, pull the cord by the window or press the button/yellow strip to request your stop. Link light rail trains stop at every station automatically.
- When possible, exit the bus through rear doors.
- After exiting a Link or Sounder train, don't forget to tap your ORCA card again to ensure you are charged the correct fare.

Metro drivers are the friendliest of any big city transit agency in the country! Feel free to ask them any questions, keeping in mind that they need to focus on driving safely and may not be able to help you.

If you have a particularly good experience with your driver, send in a commendation to metro.kingcounty.gov/fanmail.
